Old Mill Foundation Golf Outing Raises More Than \$15,000 for Community Projects

CAMBRIA, Wis., Aug 1, 2013 – This year the Old Mill Foundation Golf Outing set a new record, raising more than \$15,000 for the foundation. The event also saw its first hole-in-one contest winner, Al Ogorzalek of New Berlin, Wis. He hit a hole-in-one on the Ballweg Implement-sponsored hole 10 to win a John Deere XUV550 S4 Gator.

Didion Milling hosted the seventh annual golf outing on July 26. The four-person scramble took place at Fox Lake Golf Club in Fox Lake, Wis. All proceeds benefitted the Old Mill Foundation.

OLD MILL FOUNDATION

“The Old Mill Foundation is all about supporting the Cambria community,” says John Didion, chief executive officer of Didion Milling and president of the Old Mill Foundation. “We strongly believe in enriching the community in which we do business.”

Ogorzalek and his wife, Mary Claire Lanser, with their new John Deere Gator

The Old Mill Foundation was founded in 2006 to give back to the community of Cambria through support of local nonprofit organizations that work to enhance the lives of the Village of Cambria, Township of Courtland and the Cambria-Friesland School District. Cambria Fire Department, Cambria-Friesland School, Cambria-Friesland Youth Football Team and the Cambria Pool Fun Committee are a few such organizations that have benefited from the Old Mill Foundation's numerous donations and scholarships.

About Didion Inc.

Didion Milling is a family-owned agricultural processing business located in the heartland of Wisconsin. For more than 40 years, Didion has been storing, milling, fermenting and transporting corn products. We aim to add value to corn, enhance operations and enrich the lives of our customers. And we'll never be done improving. Visit didionmilling.com today to discover the Didion Difference.
